"Amazing Grace"

**Lyric:**

1. 'Twas grace that taught my heart to fear, my soul to know it need; grace! how sweet the sound, of peace, of grace, of peace, of grace.

2. Grace that did my heart reclaim; grace! how precious grace! through grace the Lord has taught me how to fear, my soul to know it need.

3. The bright man taught me how to fear, my soul to know it need; grace! how sweet the sound, of peace, of grace, of peace, of grace.

4. Grace! how sweet the sound, of peace, of grace, of peace, of grace.

5. When we were men of sin, grace! how sweet the sound, of peace, of grace, of peace, of grace.
