Translation

The apostles spoke with other tongues, Alleluia, the wonderful works of God, Alleluia.

℣ They were all filled with the Holy Ghost and began to speak
the wonderful works of God, Alleluia.

℣ Glory be to the Father, and to the Son, and to the Holy Ghost,
Alleluia.

Liturgical Function

Respond at First Vespers of the feast of Pentecost according to the Use of Sarum. Also, without the Gloria, the second respond at Matins on the Monday and Thursday of Pentecost week.

Editorial Conventions

The nomenclature of the voice-parts follows the Tudor convention.

The original clef, staff signature, mensuration symbol and first note of each part are shown on the prefatory staves. Editorial accidentals are placed above the notes concerned and remain operative throughout the bar. Accidentals not present individually in the source but implied by the original staff signatures are placed before the note and have a superscript dot.

Ligatures are denoted by the sign [—].

Spelling of the text has been modernised.

Text repetition signs in the underlay have been expanded editorially in italics (slurs in source A, noted below, dictate some this underlay).

Underlay between square brackets is entirely editorial.

Notes on the Readings of the Sources

For this edition the two bass parts have been exchanged since, in Tudor usage, *Bassus Primus* was the part that took the lower notes at final cadences. Source **B** exchanges M1 and M2

In the notes below, each reference to a bar or group of bars is separated by an oblique stroke. Within these references multiple readings in the same voice are separated by commas and readings in different voices by semicolons. The order within each entry is: 1) bar number; 2) voice; 3) reading of the source. For extended references subsequent bar numbers are in brackets. Pitches are in capital letters, preceded by a number if necessary, e.g. ¹E = first note E in the bar. Note values are abbreviated in italics. The sign ≈ denotes a underlay repeat sign and + a tie.
